

# Respite Care Services

Whether you're **traveling out of town**, recovering from a **surgery** or **hospital stay**, or simply need some **time for yourself**, Tabitha in Crete - The Gardens Assisted Living provides loving, compassionate respite care for your loved one in periods of one week or more.

The Gardens features a beautiful environment, designed intentionally to engage and comfort older adults. Our team is specially trained to assist with **slideboard transfers**, **weight bearing concerns** and creating a **wheelchair-accessible environment**. The Gardens also has access to onsite Tabitha Home Health and therapy services, upon request.
