

Caregivers Get Support

Memory Care Day Program

Tabitha offers caregivers, who reside at **GracePointe Assisted Living**, a safe and convenient DAY SERVICE for their loved one who is experiencing dementia-related memory loss or needs cognitive support.

ALLOWS CAREGIVERS TO:

- Run errands
- Attend an appointment or event
- Continue to participate in favorite hobbies
- Simply take time to rest

Tabitha is here to support you as your needs evolve.

SERVICES:

- Monday - Friday
- 7:30 a.m. - 7 p.m.
- Personalized plan developed to assist with health and activities of daily living
- Secure environment
- Meals and snacks provided
- Social, spiritual and leisure activities

Memory Care Day Package

MONTHLY RATES

CAREGIVERS NEED TO:

- Set up a Customized Service Package in their Service Plan for their loved one that includes medication management and administration, in order for GracePointe Team to administer medications.
- Sign loved one in/out upon arrival/departure.
- Caregiver must speak directly with a GracePointe Living Assistant when arriving and prior to departing the Day Service.
- Provide supplies needed for their loved one's care.

If needed, for safety purposes, security bracelets are available for GracePointe's Memory Care Unit (non-refundable, one-time fee applies).
