Respite CARE SERVICES

Whether you're traveling out of town, recovering from a surgery or hospital stay, or simply need some time for yourself, GracePointe can provide loving, compassionate respite care for your loved one in periods of one week or more.

GracePointe features a beautiful environment, designed intentionally to engage and comfort older adults. Our team is specially trained to assist with slideboard transfers, weight bearing concerns or if a wheelchair-accessible environment is needed. GracePointe has access to onsite Tabitha Home Health and outpatient physical therapy at your fingertips. All you need to bring are necessary medical supplies and equipment, clothing, and personal toiletries such as bath soap and shampoo.

CAREGIVER'S SUPPORT MEMORY CARE DAY *Program*

Tabitha offers caregivers who reside at GracePointe a safe and convenient day program for their loved one who is experiencing dementia-related memory loss or needs cognitive support.

The program allows caregivers to run errands, attend an appointment or event, continue to participate in favorite hobbies or simply take time to rest.
