

## NURSING TEAM

A Tabitha Hospice nurse will make visits according to specified needs. They will manage the care plan as it relates to current and future goals and work closely with Clients, their families and physicians to monitor and treat symptoms as they occur. The nurse will keep everyone involved well informed of any changes or concerns throughout the process.

**Amy  
Boehle, RN**

**Donna  
Melnick, RN**  
*(Weekend & Evening)*

**Lexi Rozendal, RN**  
*(Weekend & Evening)*

**Ashley  
Ruzicka, RN**  
*(Weekend & Evening)*

**Jessica  
Schlegel, RN**

**Sam Schrier,  
RN**
